

## EC - DECLARATION OF CONFORMITY

**Manufacturer's name and address:** İTİMAT MAKİNA SANAYİ ve TİCARET A.Ş.  
Organize Sanayi Bölgesi 6.cad No:28 Melikgazi  
Kayseri, Turkey

**Product:** Portable Oven

**Model:** I-12T

**Year of production:** 2024

The designated product in accordance with the following EC directives:

- Electromagnetic Compability Directive 2014/30/EU (EMC)
- Low Voltage Directive 2014/35/EU (LVD)
- Commission regulation (EU) No. 10/2011 on plastic materials and articles intended to come into contact with food
- Regulation (EC) No. 1935/2004 Of The European Parliament and of the Council on materials and articles intended to come into contact with food (LFGB)
- Directive 2011/65/EU on the restriction of the use of certain hazardous substances in electrical and electronic equipment (RoHS)

## Including amendments

Full compliance with the standards listed below proves the conformity of the designated product with the requirements of EC directives mentioned above.

|                                   |                                                                                                                                                                                                  |
|-----------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| EN 60335-1:2012+A11+A13+A1+A14+A2 | Household and similar electrical appliances - Safety - Part 1: General requirements                                                                                                              |
| EN 60335-2-9:2003+A1+A2+A12+A13   | Household and similar electrical appliances — Safety — Part 2-9: Particular requirements for grills, toasters and similar portable cooking appliances                                            |
| EN 62233:2008                     | Measurement methods for electromagnetic fields of household appliances and similar apparatus with regard to human exposure                                                                       |
| EN 55014-1:2021                   | Electromagnetic compatibility - Requirements for household appliances, electric tools and similar apparatus - Part 1: Emission                                                                   |
| EN 55014-2:2021                   | Electromagnetic compatibility - Requirements for household appliances, electric tools and similar apparatus - Part 2: Immunity - Product family standard                                         |
| IEC 62321-5:2013                  | Determination of certain substances in electrotechnical products - Part 5: Cadmium, lead and chromium in polymers and electronics and cadmium and lead in metals by AAS, AFS, ICP-OES and ICP-MS |

This declaration of conformity is issued at the sole responsibility of the manufacturer.
